Lakewood Utilities, Inc.,)	
Respondent)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a request for a formal hearing by Carriage Hill Lakes Partnership (the Complainant or CHLP) concerning the procurement of taps for sewerage service in Lakewood Utilities' service area. The informal conference between the Complainant, the Respondent, and the Commission Staff did not resolve the matter.

The Commission considered the request of the Complainant for a hearing in this matter and issued Order No. 90-413, dated April 4, 1990, in which a hearing was scheduled commencing Tuesday, June 26, 1990, at 11:00 a.m., in the Commission's Hearing Room, 111 Doctors Circle, Columbia, South Carolina.

Subsequently, Lakewood Utilities, Inc. requested a continuance of the scheduled hearing due to a conflict with a family court appearance by Lakewood's counsel. CHLP did not object to the continuance, however, it asked for an earlier hearing date. The Commission is bound to allow Lakewood to have a continuance due to fact that family court hearings have priority over administrative hearings. The Commission has reviewed its hearing calender for the earliest possible hearing date.

priority over administrative hearings. The Commission has reviewed its hearing calender for the earliest possible hearing date.

Therefore, the hearing previously scheduled for June 26, 1990, at 11:00 a.m., is hereby canceled and rescheduled for July 11, 1990, at 10:30 a.m., in the Commission's Hearing Room, 111 Doctors Circle, Columbia, South Carolina.

All parties should appear before the Commission at that time and be prepared to present testimony concerning their positions in this matter.

IT IS THEREFORE ORDERED.
